## Summary

---

Cyber Security Intern with practical exposure to various tools and frameworks, including Kali Linux, Wireshark, Nmap, etc. Entry-level experience in network security, vulnerability assessment, and penetration testing through job simulations with ANZ Australia, Mastercard, and Tata Group. Developed skills in identifying and mitigating security vulnerabilities. Conducted network traffic analysis and implemented security training procedures.

## Education

---

### Garden City University, Bengaluru

Nov 2022 - Nov 2026

Bachelor of Technology, Computer Science & Engineering (Cybersecurity)

### SVMMVHSS Vendar, Kerala

June 2020 - March 2022

Class 12, with 86 %

Courses: Mathematics, English, Computer Science, Physics, Chemistry

## Work Experience

---

### ANZ Australia Cyber Security Management Job Simulation on Forage

Remote  
March 2025

- Completed a simulation focussed on identifying cybersecurity threats at ANZ
- Investigated e-mails to report suspicious items
- Analysed a Packet Capture file using an open-source tool to identify and investigate any potential threats.

### Tata Cybersecurity Security Analyst Job Simulation on Forage

Remote  
March 2025

- Completed a job simulation involving identity and access management (IAM) for Tata Consultancy Services, collaborating with a Cybersecurity Consulting team.
- Acquired expertise in IAM principles, cybersecurity best practices, and strategic alignment with business objectives.
- Delivered comprehensive documentation and presentations, showcasing the ability to communicate complex technical concepts effectively.

### Decathlon Bangalore

Omni Sports Leader

Part-Time  
April 2024 - June 2024

- Gained hands-on experience in customer engagement, inventory management, and sales operations.
- Developed strong teamwork, communication, and problem-solving skills in a dynamic retail environment.
- Contributed to enhancing the overall customer experience through proactive support and collaboration.

## Technical Skills

---

- **Cybersecurity Basics: Network Security, Vulnerability assessment**
- **Tools: Linux, Wireshark, Nmap, Zap, Sherlock, Hashcat, Ngrok, Seeker**
- **Programming languages: Python, HTML, SQL**
- **Report writing**

## Soft Skills

---

- **Attention to Detail**
- **Problem Solving**
- **Communication**
- **Team Collaboration**
- **Critical thinking**
- **Eagerness to Learn**

## Extracurricular Activities

---

- **Football Achievements:** Represented the university in two South Zone Inter-University Tournaments and led the team in multiple tournaments, demonstrating leadership, teamwork, and competitive spirit.
- **Engineering Skill Show:** Secured 2nd place at Garden City University for innovative engineering skills.
- **Technical Presentation:** Demonstrated 'Filter Design using NI Multisim' in electrical engineering labs, highlighting technical expertise and presentation skills
- **Hackathon Participation:** Engaged in the Google AI Hackathon Roadshow in Bangalore, building problem-solving and collaboration skills.

## Languages

---

- **English**
- **Malayalam**
- **Hindi**
- **Tamil**

## Certification

---

- **Linux Basics:** Cybrary
- **Scrum Certification + Scrum Master + Agile Scrum Training:** EC-Council
- **Introduction to Cybersecurity:** Cisco Networking Academy
- **ISC2 CC**
- **Junior Cybersecurity Analyst:** Cisco Networking Academy
